2009 STRONG KIDS CAMPAIGN - WE BUILD STRONG KIDS, STRONG FAMILIES, STRONG COMMUNITIES

MAKING STRIDES The annual YMCA Strong Kids Campaign allows us to keep making strides forward, in the lives of many underserved families in our community. Your support will assure that no child or family is denied a chance to participate in YMCA programs or activities due to inability to pay.

Every dollar donated to the YMCA Strong Kids Campaign helps kids and families right here in our community by providing program support and financial assistance to kids and families who need it most.

THE PATH TO A STRONGER COMMUNITY The impact we have on children will be our legacy. With every opportunity we give a child in need, we increase the likelihood that child will ultimately achieve success in his or her life. With your help, we can give more kids more opportunities for positive growth. YMCA programs teach young people important values such as caring, honesty, respect and responsibility. Through a variety of fun and rewarding activities, they develop valuable skills while they gain confidence and self-esteem. You simply cannot put a price on strengthening and enriching the character of a child.

YOUR CONTRIBUTION HELPS MAKE IT HAPPEN. To ensure that no one is denied a chance to participate because of the inability to pay, we need your help. Your contributions in 2008 helped the YMCA provide program support and financial assistance to families who are in need in our community. By working together, we can give more kids the opportunity to grow strong in spirit, mind, and body.
